		Figtree Theatre

I AM OBSESSED WITH...

I'm a little too laid back to get obsessed with much, but I do feel weird if I haven't played my guitar in a while.

I CAN'T LIVE WITHOUT...

Good music, close friends and laughter.

MY FAVOURITE CHILDHOOD MEMORY...

We took a holiday to the Middle East when I was about 8 to visit my cousins. It was such a different world compared to my own. We got up to all sorts of shenanigans and just had a ball together.

I CHILL OUT BY...

Having a laugh with friends or dragging them out to various random activities – rock climbing, camping, frisbee, softball, tennis, lawn bowls – all of which usually end in laughter and perhaps a beer.

WHAT MAKES ME HAPPY...

Sunshine, fresh air, good food and my mates. Doesn't really matter when or where.

IN TEN YEARS I WANT TO BE...

Smiling.

LOOKING BACK I WISH I HAD...

Learned to surf while I lived next to the beach for four years. It's that much harder when you don't live anywhere near the sea.

MY BIGGEST WEAKNESS IS...

Chocolate. If I start eating it I don't stop. So I've had to ban myself from it altogether.

I HAVE ALWAYS WANTED TO...

Travel the world. I've started but I've still got a long way to go! Canada's next on the list, and I would definitely go back to Cambodia.

I AM CURRENTLY READING...

'Holy Cow' by Sarah McDonald. It's hilarious! She has a fantastic way with words.

MY ATTITUDE TO LIFE IS ...

Don't waste it being anything less than happy. Get out there and discover what it is you enjoy doing and make that the focus, not the sideline.

IF I COULD CHANGE THE WORLD I WOULD...

Be very busy! There's so much in need of change. It sounds cheesy but I actually believe we can all change it in our own ways. It's all about our mindset. We've just got to get over ourselves and share the love (and the wealth) a bit more.

MY HERO IS...

Not sure I have a 'hero' as such. I guess someone I admire and whose work I really respect is Toni Collette.

MY FAVOURITE FOOD IS...

I'd like to say something more sophisticated but it's got to be pizza. My local pizza restaurant does some amazing gourmet vegetarian pizzas. I go there far too often.

MY FAVOURITE MOVIE IS...

Always difficult to answer... It's a toss-up between Spaceballs, Fargo, Dancer in the Dark and Muriel's Wedding. A random selection, I know, and it will probably change if you ask me this question tomorrow.

WHEN I GROW UP I WANT TO BE...

Taller, and still having fun.

MY MUM ALWAYS SAID...

Amy, did you eat the last biscuit? As well as something about doing your best and learning to be happy with that.
