you could win...
\$5000 cash!

LAST CHANCE!

If you're considering entering this competition, you still have a couple of days to do so! The final deadline for entries is midnight on 30 November 2011. (If you can't make the deadline, don't worry – we will be running the competition again next year.)

Email photos and a 200-word description of your project to yhg@acpmagazines.co.nz. Please include your name, home address, daytime phone number, the time period the project took place and a list of the Resene colours used.

Each month the home of one of five finalists features in the magazine (each finalist wins \$250 worth of Resene paint vouchers). The overall winner will be chosen from these finalists, taking the 10th anniversary Colour Home Award title and winning \$5000 cash. An extended story on the winning home will also feature in *Your Home & Garden* (March 2012).

TERMS AND CONDITIONS: Instructions on how to enter are part of the conditions of entry. This competition is open to New Zealand residents, except employees of ACP Media, Resene, and their immediate families and agencies. The competition runs from now until midnight on 30 November, 2011. The finalists and overall winner will be notified by telephone and/or email.

Above Lian and David Bruce, pictured with their dog Max, say they love light and colour in their home. Lian tested her choices on A3 pieces of card to see what mood the colours brought to each room and how they looked in the sunlight.

FINE LINES

- + Painted stripes are a brilliant way to add interest to your walls. Often wallpaper stripes won't be available in the colours you want, so if you paint on your own stripes you can choose your favourite Resene shades and decide how thick or thin you want the stripes to be.
- + Make sure you use low tack masking tape to mask off the stripe areas, and remove the tape before the paint dries.
- + Another a good option is to combine stripes of various thicknesses, which can also help to hide surface imperfections.

OUR FINALIST THIS MONTH

RAINBOW BRIGHTS

David and Lian Bruce of Papamoa in the Bay of Plenty were lucky enough to design and build their own home four years ago. When it came to the interior they set about livening it up with vibrant paint colours. Every room of the house has been painted in a different shade.

The wall in the lounge was originally painted in Resene 'Hot Chile', but when spring arrived Lian wanted something more cheerful and decided to paint it Resene 'Clockwork Orange'. The welcoming double doors are painted in Resene 'Wasabi', complementing the splashback in the kitchen. In the bathroom, vertical stripes have been painted onto the wall in Resene 'Cloud' and Resene 'Alabaster', which has added a serene calm to the space while still offering lots of character.
