LIKE A LADY

Dress up your spaces with elegant touches befitting a mid-20th century romance novel for endless design endearments. Demure tints of Resene Princess and Resene Apple Green are our top selections for spaces that need to be opened up, while Resene Thorndon Cream and Resene Quarter Parchment are ideal matches for prim and proper trims and ceilings.

**Sugar-Coated**

To transition from your winter palette of deep tans, chocolate, and black, look to cotton candy colours that will deliver the delicious lightness of summer days. For their Resort 25 runway, Gucci elevated heavyweight denim and suede with delicate sherbet chiffons. Follow suit with Resene French Lilac, Resene Chill Out, or Resene Sakura for spring-ready softness.
