

# Winter

*Colour the season*

Resene Waterborne Woodsman  
'Skywater'

» Winter conjures up images of barren landscapes covered in white snow and ice, flooded by cold blue light. The winter palette is one of contrasts – wild deep colours meet ice cool colours joined by intense black and pure white.

Resene  
'Space Cadet'

» Now's a great time to add some splashes of bright colour to your garden and home to keep up your spirits through the cooler months. See The Range fashion colours fandeck for fresh colour ideas.
