QRISTAL CLEARFLOOR BY RESENE

Keep your timber flooring looking good with Resene Qristal ClearFloor. Made from a clear waterborne urethane, it's a tough durable finish formulated especially for floors. A desirable satin finish, Resene Qristal ClearFloor can be applied by homeowners through to professional tradespeople. Resene Qristal ClearFloor 1K is available in a single pack designed for general flooring use with low to medium foot traffic. Or choose Resene Qristal ClearFloor 2K, a harder-wearing waterborne option for high abrasion areas.

BRIGHT AND BREEZY

Colours for 2011/12 are generally cleaner and less complicated with touches of uber bright reds, oranges, yellows and violets, such as Resene Switched On (yellow) and Resene Pukeko (purple), to draw in the eye like a flower. Perfect for playful spaces and kids' rooms, there are clear greens such as Resene Howzat and spicy oranges like Resene Outrageous. Saturated reds are in abundance and a definite feature of the new palette from deep rusty hues to those with a feminine pink twist such as Resene Knock Out. Use clean crisp neutrals such as Resene Half Alabaster (at the back) and Resene Blackjack to offset the strength of these bold tones.

OF SEA & SAND

Nature continues its influence with fresh colours, rustic textures and the beauty of handcrafted pieces. Watery blues, such as Resene Awash are refreshing and optimistic while muddied greens such as Resene Gondwana (green) are earthy and natural. Crossover hues that move from green to blue are a feature of the Resene

The Range 2011/12 and remind us of the sea, such as Resene Calypso (blue). Set these against washed, sandy and weathered neutrals for timeless appeal – Resene Half Rickshaw (back left), Resene First Light (back right) and Resene Fantail (front right).
