

Resene colour charts are updated regularly. This colour chart file is part of the colour chart archive, which we provide so you can view Resene colours that have been available over the years. Most older colours can still be tinted – check with your Resene ColorShop team if you need an older colour for your project.

# STIPPLECOTE CEMENT PAINT

Weather Seals and Decorates in One Operation

- ★ In eight beautiful pastel shades and white.
- ★ STIPPLECOTE is made with a base of white portland cement.
- ★ Made in powder form, it only requires the addition of water.
- ★ Produces a hard durable surface which will resist all weather conditions.
- ★ Will definitely stop seepage.
- ★ Hygienic, odourless, an excellent light and heat reflector.
- ★ Can be re-coated at any subsequent period.
- ★ Very easy to apply.
- ★ Can be finished in a variety of surface finishes, e.g., brush finish, stipple, spatterdash, trowel, etc., though it is mainly finished with either brush or spray.
- ★ STIPPLECOTE is readily applied to the following surfaces –  
Concrete, stucco, brickwork, soft stone, asbestos cement, all cement plaster surfaces, rough cast, fibre boards.
- ★ The addition of Cemstik to Stipplecote improves brushing, adhesion and durability.
