

Resene colour charts are updated regularly. This colour chart file is part of the colour chart archive, which we provide so you can view Resene colours that have been available over the years. Most older colours can still be tinted – check with your Resene ColorShop team if you need an older colour for your project.

RESENE SUPERGLOSS ENAMEL

Supergloss Enamel is a hard wearing, high gloss Enamel, designed for use inside and outside, where an easily cleanable, mould resistant finish is required, and is particularly suitable for Fiji conditions.

Supergloss Enamel paints on smoothly and evenly to all surfaces. Generally one coat is all that is needed over the appropriate Resene Enamel Undercoat. Note that for some colours, special coloured undercoats are recommended.

Exterior use

Durable under all weather conditions, Supergloss beautifies and protects all exterior surfaces against sun, rain and humidity.

Lasts for years under Fiji conditions.

All interior surfaces

Supergloss Enamel puts a hard wearing, steam and mould resistant easy to clean, gloss finish on bathroom, laundry, kitchen, and other interior surfaces.

Colour range

Supergloss Enamel is available in:

- * 80 colours of this chart
- * 101 colours of the BSS 2660 range
- * 88 colours of the BSS 4800 range
- * Plus Black, White and Clear

Cleaning up

Brushes wash up in mineral turpentine.

Coverage

Supergloss Enamel covers approximately 16 square metres per litre.

Resene - the Paint the Professionals use

Use the paint the professionals use, for the reasons that they prefer it: because Resene goes on so easily, smooth and drag-free in application ... because it provides better coverage ... because of its unlimited range of beautiful colours ... because of the long, long life that you can expect from Resene paint.

Resene CBS Concrete Block Sealer

The paint that fills the voids, waterproofs and decorates in two applications.
CBS will waterproof fairfaced concrete blocks where normal paint will not.

Resene Timberstain A natural wood finish

For staining and waterproofing timber. Available in a range of colours, as well as a natural clear finish. For all exterior timber.

Resene Semigloss The paint for concrete

Exterior and interior latex paint for concrete, asbestos cement, brick and interior wallboards, timber and wall

paper. Dries to an even luxurious semigloss finish. Highly mould resistant. Available in 75 colours, as well as the BSS 2660 range (101 colours) and the BSS 4800 range (88 colours). Brushes wash out in water.

Resene Matt Latex The paint for interior use

Recommended for interior use, but also suitable for exterior use on concrete, stucco, asbestos cement, interior wallboards and wallpapers. Quick drying, and brushes wash out in water. Available in 75 colours, as well as the BSS 2660 range (101 colours) and the BSS 4800 range (88 colours).

Resene Higio Latex/Acrylic Roof Paint

A quick drying, easy to use water thinnable paint for galvanized iron and cementitious roofing. Dries to a hard wearing long lasting gloss. Highly mould resistant. Brushes wash out in water.
