

*Facing page and above:* To create a tranquil look for this new Tauranga home, Resene paints were specified in shades of Resene Linen, Resene Double Linen and Resene Tana. Faye Philp, Resene Bay of Plenty representative, says the company also specially mixed two colours to complement these shades. The painting contractor was Phillip Carter.

*Left:* The exterior of the house features Linea weatherboards painted with Resene Lumbersider in Black, with trim in White. A coat of Resene Sun Defier was applied to provide protection from the heat of the sun.
