

The background of the advertisement is a dark, textured surface with various brushstrokes in shades of grey and black. A prominent, thick red brushstroke runs diagonally across the center, partially overlapping the text. The word 'Resene' is written in a clean, white, sans-serif font at the top. Below it, 'Art Action' is written in a large, white, cursive script. Underneath that, 'students acrylic' is written in a white, sans-serif font. At the bottom left, '175 ml' is written in a white, sans-serif font. At the bottom center, 'NON TOXIC Conforms to ASTM D-4236' is written in a white, sans-serif font.

NON TOXIC Conforms to ASTM D-4236

Resene Art Action Student Acrylic is a high quality, permanent, durable acrylic paint designed for home, classroom and business artwork. Suitable for use by both children and adults. Resene Art Action Tempera is recommended for younger children.

- Use direct from the container or dilute with water.
- Thoroughly clean your brush before use for best results.
- Solid colours may be mixed for colour blends.
- Wear suitable clothing as this product is permanent on fabric.
- Use cold soapy water to remove paint from brushes immediately after use.
- First aid is generally not required. If in doubt, contact the NZ Poisons Information Centre on 0800 764-766 or a doctor.
