

RESENE POWDER ROOM AWARDS 2021 FINALIST

Modern love

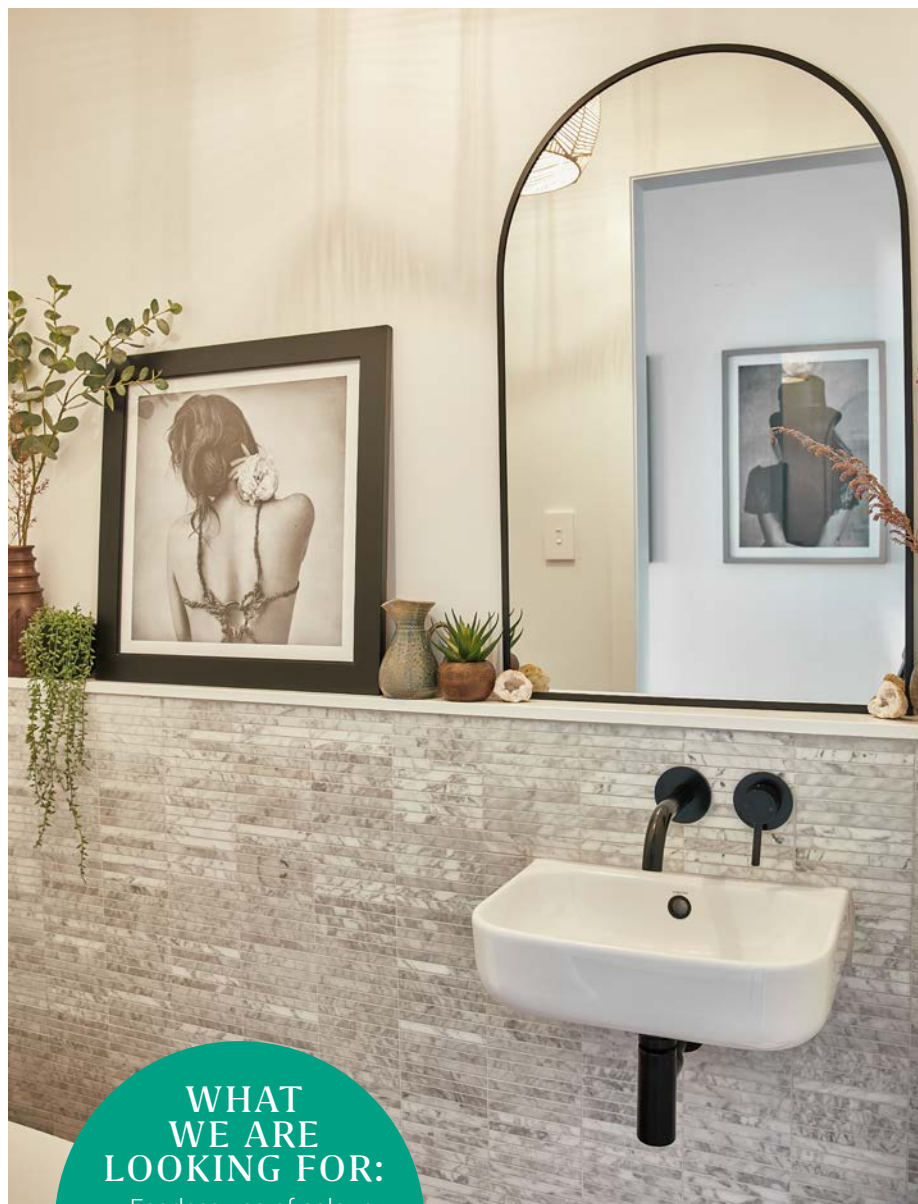

A chic little powder room leaves a lasting impression on guests, with some saying it's too pretty to use

What happens when you combine an old hallway cupboard and a seldom used wardrobe? For Kate Alcock, it was a sweet

little powder room that most guests almost can't bring themselves to use because it's too pretty. "I've had comments about the beautiful marble tiles and even the Kmart basket that holds the loo paper," she says.

These items, along with a selection of pottery pieces and black tapware, make a bold and modern statement against the fresh white walls painted in Resene Alabaster. ●

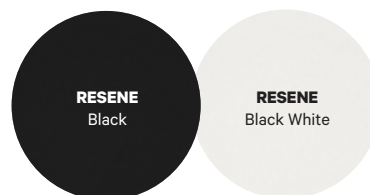

WHAT WE ARE LOOKING FOR:

- Fearless use of colour and/or pattern
- Exciting use of wallpaper
- Imaginative decoration and finishing.
